

Brunk-Clark Scholarship Application

The Missouri Community Forestry Council (MCFC) Brunk-Clark scholarship program was created to provide financial support for students, city leaders, alderperson, municipal tree board members, and/or industry professionals with an interest in improving their knowledge of trees and advancing themselves and their community forestry program.

Applications will be judged by a sub-committee of the Missouri Community Forestry Council and awards will be based on the following criteria: financial need, educational merit, and benefit to the community at large or the Missouri Community Forestry Council and the Arboriculture industry in Missouri.

Applications may be submitted at any time throughout the calendar year and responses may take up to 30-60 days to receive.
